

Directions to Shepherds View Ranch (Dunkel), Holderness, NH from Manchester Airport

(cell service is spotty winding along the country roads and hills)

1. Exit Manchester airport via Brown Ave heading towards 293.
2. Take 293N towards Concord – it will merge with 93N about 8 or 9 miles north.
3. Go through Hooksett Toll Booth (\$1) and continue north on 93N past Concord.
4. Take exit 24 – Ashland – follow route 3 towards Holderness.
5. Follow Route 3&25 toward Holderness, as you come through Holderness, you will see a Citgo station on your right, this is also known as the Golden Pond Country Store (a major landmark to use). At the Citgo station, the road slightly splits, you will want to take the road to your right which is Shepard Hill Road up the hill. It will split again and become Coxboro Rd. Stay to the right.
6. After about 3 miles, at the top of the hill, make a right onto Porcupine Rd (private road – my driveway) – you will see a metal gate just inside that is open. A little further in you will see an electric gate. This is the driveway to SVR. It is approximately 1 mile long. You will go past a beaver pond on the left, go up a slight hill and make a sharp right up a steep hill.
7. Continue along and you will see a sign for Shepherds View Ranch, a chapel on the right and then at the top of the hill, the road will turn to the left at the guest house. Go past the garage and you will see the main house just ahead. Park in front near the garage and come on in !!!
